signals from respective different--;

same line, change "apparatus and a signal by" to --  
apparatuses as an--;

line 3, after "through" insert --an--;

line 4, after "and" insert --other--;

same line, after "to" insert --an--;

line 8, after "separated" insert --signal--.

IN THE CLAIMS

Please amend claims 1-17 by rewriting same to read  
as follows.

--1. (Amended) An audio and/or video signal  
transmission system for transmitting an audio and/or  
video signal between a transmitting apparatus and a  
receiving apparatus, the system comprising

[one or] a plurality of audio and/or  
video signal transmitting apparatuses each including  
audio and/or video signal generating means, [one or] a
